THE GREATEST FEAT IN ALL. ANNALS OF AUTOMOBILE HISTORY.

A Recod That Will Stand For Years to Come

The whole meter world today is grazed and excited over the wonderful performance of an automobile which has just completed a world's record motor non-stop run.
This car was started running Nov.

22, 1915, in Los Angeles, California, with the intention of running it twenty thousand uiles without a stop of the motor for one single instant. The car was running so perfectly at the end of the twenty thousand miles an additional two thousand, were run, and on the last miles twenty-four hour ron the car travel-ed five hundred and sixty two and one-half miles, the greatest distance of any one day of the run. The ear was purposely stopped at 22,032 22,032 miles while running in perfect con-
